

TIMBERLINE MECHANICAL™

Dear Valued Customer,

On behalf of the Service Retrofit Department here at Timberline Mechanical Systems, thank you for your business. Our Service Retrofit team is committed to delivering intelligent solutions that deliver great results for our customers.

Upon completion of the recent work we have performed, we would like to take this time to remind you of the warranty that was included on the signed quote provided to you by your Projects Estimator. The warranty period is for 12 months from the project completion date, unless otherwise specifically noted.

The formal full length warranty details can be found online via our website at:

<http://www.timberlinemechanical.com/about-timberline-hvac/warranty/>

It is our goal to consistently provide our customers with superior service, high-quality equipment, top-quality customer service and cost-effective solutions for your HVAC needs. Should you need assistance within the 12-month warranty period, please contact our Service Retrofit personnel during business hours from 8am to 4pm, Monday through Friday.

Timberline Mechanical also offers Preventative Maintenance and Service HVAC in addition to Service Retrofit. For your convenience, we have attached a list of Timberline Mechanical Systems contacts along with a copy of your signed quote of service.

It was our privilege to do business with you, and it would be our pleasure to continue serving you in the future.

Sincerely,

John Kuepper
